The screenshot shows a dialog box titled "ObjectMap Wizard". On the left side, there is a vertical banner with the text "ObjectMap Wizard Application Launch" and a stylized graphic. The main area of the dialog is divided into two sections, "Object 1" and "Object 2". Each section contains a label "Object Classes" followed by a dropdown menu showing "Window Object" and a small icon of a document. Below each dropdown is a label "Object Name" followed by a text input field. At the bottom of the dialog, there are three buttons: "< Back", "Next >", and "Cancel".
